**Introducing InfoGuides!**

[http://infoguides.gmu.edu/](http://infoguides.gmu.edu/)

**InfoGuides** are a brilliant new research resource that has been compiled by Mason Subject Librarians to aid students and teachers in their course work. **InfoGuides** can be found directly from the Mason Libraries Homepage or at the above web address ↑ and include a variety of subjects. Some examples from the 63 available guides are Neuroscience, Recreational Health and Tourism, and News & Current Events. These guides are for research assistance and can contain recommended websites and databases, books, journals, theses and dissertations, maps, and current news on a large variety of subjects. **InfoGuides** are fully interactive sites that are tagged with common search terms including course numbers. So, jump in and find what InfoGuides can do for you and as always, if you need help, tap into any of Mason's many research and reference services that are available.

To learn about important discoveries made on site, take the Hunting for George Mason's Garden tour at 1:15 or 3:15 p.m.

Young people under the age of 14 years must be accompanied by an adult. Groups of five or more must make a reservation. Regular admission.

Near and Far Sighted: Refocusing on Regionalism and Imports in Virginia (Part 2)

Decorative Arts Symposium

Thursday, November 6   9:00 a.m. - 4:00 p.m.

What do furnishings reveal about the people who own them? How do patterns in the consumption and production of objects define a region? Symposium speakers will investigate the influence of imported decorative arts objects and printed materials in the Chesapeake region from 1607 to 1850. This program is the second and final part of a series looking at regionalism in the field of material culture.

It is necessary to reserve in advance. Call 703/550-9220 for a brochure and registration form. The fee includes lunch and a symposium packet. $85, $70 Friends of Gunston Hall.

Veterans’ Day Commemoration

Tuesday, November 11   9:30 a.m. - 5:00 p.m.

Colonel George Mason served as a member of the Virginia militia. How else did Mason further the cause of American freedom and what sacrifices did he and his family make along the way? Mason’s Virginia Declaration of Rights, written in May 1776, played a critical role in the story of independence for Virginia and the nation. Consider these topics during mansion tours and conversations with period reenactors.

Regular admission. In honor of Veterans’ Day, free admission will be granted to active military personnel and veterans.

Plantation Christmas

Friday and Saturday, December 12 and 13   6:30 - 9:30 p.m.
